Summary of Experience

Stephen Barrett is a Director at RSHP and has over 30 years of experience with the practice. He leads the French and French-speaking teams and projects within RSHP.

He was project architect for: Bordeaux Law Courts; Terminal T4 at Barajas airport in Madrid; the Palmas Altas eco-campus in Seville; the control tower at Heathrow airport in London, the Terminal 1 of Lyon-Saint Exupéry airport and, more recently, the East Wing extension at Geneva airport.

In addition to more than a dozen airport projects, Stephen has managed the multidisciplinary teams of urban and strategic projects for Grand Paris (2008-2012), Bercy Charenton (2009-19), Gare de Lyon Daumesnil, (2014 -), Roads of the Future Grand Paris, and latterly, the Montparnasse Masterplan.

In tandem to his work on projects and within the practice's management team, Stephen co-leads RSHP's sustainable development group, which reviews the practice's procedures and data collection, contributes to projects from the early concept stages and organises the dissemination of knowledge within the agency. He is also responsible for the carbon audit of RSHP's activities.
